RaiseRight (formerly known as the Scrip Program)

Per your school contract, each family in K-8th grade is required to either earn \$225 in the RaiseRight OR take a buyout for \$250. The program is a rolling savings/rebate program. For the 2023-2024 school year, it starts on May 1, 2023 – April 30, 2024. That gives you 12 months to earn higher rebates. After you've earned your \$225 rebate, all extra earned funds will be credited towards your next year's tuition. This program doesn't charge you anything extra if you purchase physical cards in the rectory. If you purchase cards online, there are three payment options: Bank Account which charges \$0.29 service fee per transaction; Pay Coordinator Directly with check or cash – no fee; or Add Credit Card which a 2.6% fee applies to each credit card transaction.
